

**Please ensure that you read and understand the following before completing this application**

Completing this Application Form accurately is extremely important. The information gathered is to facilitate security screening in accordance to BS 7858:2012 and to determine an individual's suitability for employment in a security environment. Sections such as "Your DOB" are used solely for screening purposes and not for distinguishing your age in relation to potential employment. Missing information or inaccurate addresses/telephone numbers wastes a great deal of time. Unfortunately, due to the vast number of applications we receive, any Applications that are **not** completed properly will be rejected prior to interview.
